

Time to move your talent off the kitchen table.

Renew Burnie is an initiative from [Business Northwest](#) (*Burnie Chambers of Commerce*), supported by the Burnie City Council, that is squarely focussed on revitalising the Burnie CBD by encouraging emerging, creative, and innovative business enterprises to establish themselves in highly visible retail spaces. Through our partnership with Renew Australia we draw from their success and learnings to our Renew Burnie project.

Using the Renew Australia model, Renew Burnie will offer emerging creative businesses RENT FREE access to vacant commercial spaces in the CBD, to support their business evolution and in return help create a more vibrant and culturally diverse CBD.

Okay – sounds too good to be true. How much will it *actually* cost me?

You only pay for insurance, \$25 per week, and your utilities for shared and shop utilities.

Not sure about taking this next step on your own? Don't worry; Business Northwest will be offering access to FREE business mentorship as part of the deal, to help you get started in your enterprise.

If you create or make your own wares or have your own Intellectual Property (IP) creations, you may qualify for participation in this exciting program.

Sound like your thing? Great! Get in touch and let us know about your idea. Make 2021 your year!

So - what do I need to do?

In the first instance, have a read of the [Renew Australia](#) website - get a feel for the kind of things we will be looking for. Then download and have a read of the "[Am I ready for this Check List](#)" and "[Renew Burnie FAQs](#)".

If you are still keen, send us an email with your creative idea, business venture, current business set up and tell us why you think your business would be suitable for this program.

Email your expression of interest and contact details to us at: social@businessnw.com.au

Expressions of interest will be open until we run out of spaces, so, don't leave it too long!
